Welcome to Baltica Bistro. The name Baltica was inspired by the striking similarity between the shores of Lake Michigan and the shores of the Baltic Sea on the northern border of Poland (the owner's native country).

Baltica is located in a c.1854 Italianate style J. Thill Building that was meticulously renovated in 2011.

This is one of the oldest buildings in downtown Port Washington and was once home to J. Thill General Store, an ice cream parlor, a photo studio, and most recently Graff Jewelers.

Enjoy your time at Baltica! Bon Appetiti! Smacznego!
